MAN & MACHINE presents

B Cool

Economical Water-Resistant Compact Keyboard With Chiclet Keys

Be clean. Be stylish. Be thrifty. Be all that with B Cool – our new washable value keyboard with chocolate style/island-style keys for spaces that make cleaning a breeze. This compact beauty includes a number pad and fits nicely on hospital carts or wall mounts. You get protection from dirt, germs and spills with sealed inner components and a rigid body featuring drainage holes -- all for a durable model that can be cleaned with alcohol or disinfectants to keep your lovely digits germ free.

Add a Fitted Drape for greater infection control that can go into an autoclave for sterilization. Our 100% silicone keyboard covers enhance protection for a pittance. So be smart. Choose B Cool.

Available in hygienic white or black

Sleek profile with folding feet to adjust keyboard angle
